## Crash Advisory # 15

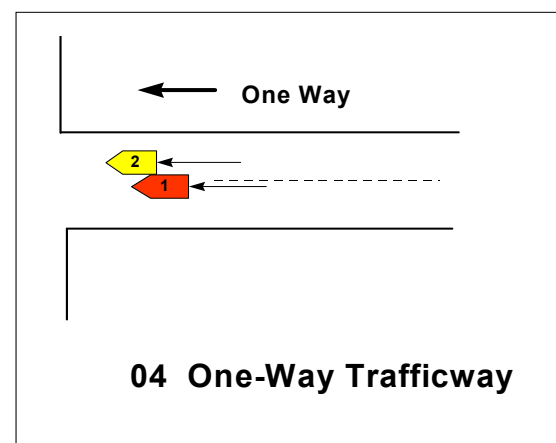

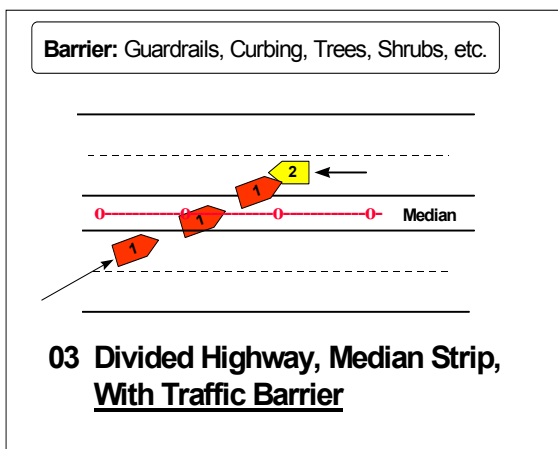

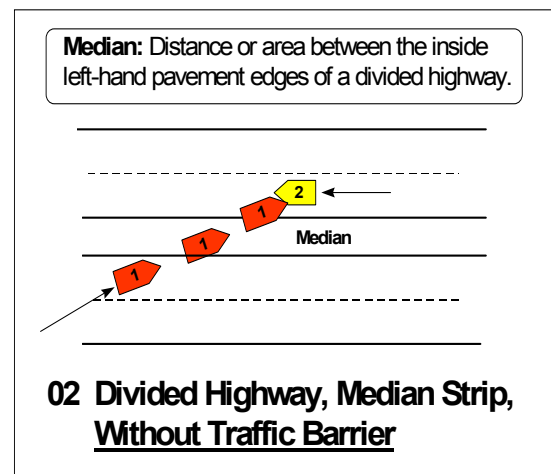

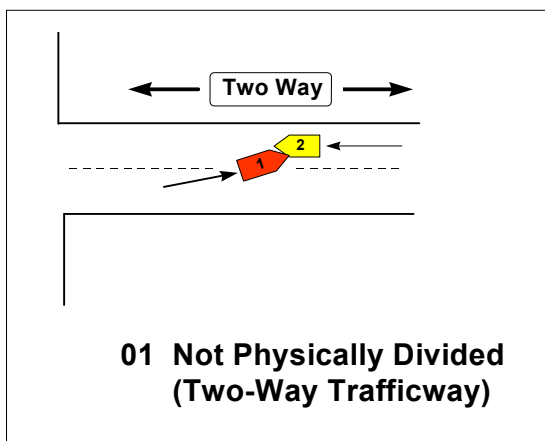

April 2005

**Below are some diagrams for Trafficway. They have been created in order to assist you in filling out the UD-10 form.**

### Trafficway

A code indicating whether or not a trafficway is divided, and whether it serves one-way or two-way traffic, at the site of the crash. Indicate the degree of trafficway division at the site of the crash.

**Refer to Section 28, Page 36 of the State of Michigan UD-10 Traffic Crash Report Instruction Manual, 2004 Edition.**

***Please Distribute to All Personnel Who Complete or Review Traffic Crash Reports***
